

ANTHROPOLOGY--4 YEAR PLANNING TOOL

NOTES: The Anthropology major is somewhat flexible--this is one suggested plan that assumes no transfer cr has been applied. Internships are strongly encouraged, and count toward ANTH/SOAN elective credit. Courses taken during required semester abroad may count toward the major; planning is essential.

1st Year	Fall Semester		Spring Semester		First year notes: Jan term is optional-- ANTH electives and LC courses can be completed in January. Students can declare their major as soon as they're registered for spring.
