

COURSE SCHEDULE WORKSHEET

Before you register, figure out what courses you want to take. Review the Fall 2019 course offerings listed on the Linfield Registrar's website or in WebAdvisor. Create a schedule of your first-choice courses and identify several alternative courses / schedules in the event that one or more of your first-choice courses are full. Aim to register for 14 - 16 credits (you must register for at least 12 credits to be considered a full-time student). More information is online. If you have any questions contact the Academic Advising office.
