

Pre-Nursing Advising Guide

(For students who enrolled Spring 2020 or later)

Nursing Prerequisites:

	<u>Course</u>	<u># Cr.</u>	<u>LC</u>	<u>Prerequisite</u>	<u>When Offered</u>
<input type="checkbox"/> One year of science with lab	OR General Chemistry: CHEM 210-211	4 + 4	NW		Fall-Spring seq.
	Principles of Biology: BIOL 210-211	4 + 4	NW		Fall-Spring seq.
	OR General, Organic & Biological Chemistry: CHEM 201-202	4 + 4	N W		Fall-Spring seq.
<input type="checkbox"/> Anatomy & <input type="checkbox"/> Physiology	Anatomy: BIOL 212	4	NW		F, S
	Physiology: BIOL 213	4	NW	BIOL 212	F, S
<input type="checkbox"/> Microbiology with lab	BIOL 275	4		CHEM 202 or CHEM 211 or BIOL 211	F, J, S
<input type="checkbox"/> Nutrition	HHPA 280	3	NW		F, J, S (Su online)
<input type="checkbox"/> Statistics	MATH 140	3	QR	HS algebra I, II, and geometry or equiv.	F, J, S (Su online)
<input type="checkbox"/> Lifespan Dev. Psychology	PSYC 155	4	IS		F, J, S, Su (all online)
<input type="checkbox"/> Inquiry Seminar with lab	INQS 125	4			F, S
	Total:	34			

All of the above course offerings are tentative and subject to change.

Linfield Curriculum Requirements (checked boxes are fulfilled by nursing prerequisites):

The Linfield Curriculum is required for all students earning a Linfield degree. Students are strongly advised to complete Linfield Curriculum requirements prior to enrollment in School of Nursing.

<input checked="" type="checkbox"/> Inquiry Seminar (INQS 125)	<input type="checkbox"/> Upper Division – a 300-400 level course outside of your major, with one of the following modes of inquiry: CS, IS, NW, QR, UQ or VP. <input type="checkbox"/> Paracurriculars: 3 credits required 1. First Semester Seminar: IDST 007 or IDST 009 - 1 cr. 2. HHPA or Dance (MUSC) - 1 cr. 3. Additional HHPA class or leadership/service class - 1 cr.
<input type="checkbox"/> Creative Studies (CS)	
<input checked="" type="checkbox"/> Individuals, Systems and Society (IS)	
<input checked="" type="checkbox"/> Natural World (NW)	
<input checked="" type="checkbox"/> Quantitative Reasoning (QR)	
<input type="checkbox"/> Ultimate Questions (UQ)	
<input type="checkbox"/> Vital Past (VP)	
<input type="checkbox"/> US Pluralisms (US)	
<input type="checkbox"/> Global Pluralisms (GP)	

- No more than two courses from any one department may count toward Linfield Curriculum.
- Enrollment in NURS 099 Introduction to Professional Nursing is strongly encouraged to help fulfill paracurricular requirements.

Example Program of Study for Pre-Nursing:

There are many possible ways to fulfill the Pre-Nursing requirements. Please work closely with your advisor to create an individualized plan of study.

Fall	Credits	January	Credits	Spring	Credits
CHEM/BIOLOGICAL 210/CHEM 201 (NW)	4	LC	3-4	CHEM/BIOLOGICAL 211/CHEM 202 (NW)	4
INQS 125	4	Para.	1	LC	3-4
LC	3-4			MATH 140 (QR)	3
IDST 007 (FSS)	1			HHPA 280 (NW)	3
HHPA Para.	1			NURS 099	1
Total:	13-14	Total:	4-5	Total:	14-15

Fall	Credits	January	Credits	Spring	Credits
BIOL 212 (NW)	4	<i>Elective</i>	3-4	BIOL 213 (NW)	4
BIOL 275 (NW)	4			PSYC 155 (IS)	4
LC	3-4			LC	3-4
LC	3-4			LC	3-4
Total:	14-16	Total:	3-4	Total:	14-16
				Total Completed:	62-70

Requirements for Entry to the School of Nursing:

- **C or better in each prerequisite course (except INQS 125) at the time of application and transfer.** If a student has already taken a prerequisite course and has a C or better, they must submit that grade on the application. Graded prerequisite courses with a C or better will be counted in the GPA calculation unless the student is registered to repeat a course. In this case, verification of registration for the repeat is required (screenshot or photocopy showing registration for course, term and student's name is acceptable).
- **3.0 GPA in the prerequisite coursework at the time of application AND at the time of transfer.**
- **3.0 GPA in Science courses (Biology/Chemistry, Anatomy, Physiology, & Microbiology) at the time of application AND at the time of transfer.**
- **Minimum Anatomy & Physiology GPA 2.67 at the time of application AND at the time of transfer.** Students may attempt each course in the Anatomy & Physiology sequence no more than twice each. In the case where a student has more than one repeat of a course, only the grade from the first repeat will be used in the GPA calculation. Withdraws count as an attempt). If a student withdrew from one of these courses for reasons other than poor academic performance, the student may consult with the registrar's office on how to petition for an exception.
- **62 transferable credits completed.** Students who intend to complete only nursing major coursework in the School of Nursing will transfer with 71 credits, including all requirements common to all Linfield Bachelor's degrees.
- A minimum of 30 Linfield credits at Linfield must be earned to be considered for priority enrollment.
- Minimum of **18 semester credits of nursing prerequisites** (including a **minimum 8 semester credits of lab science courses**) is required at time of application.
- All Linfield students must maintain a cumulative GPA of 2.0 or above to transfer and graduate.

*Transfer is defined as enrollment in the School of Nursing
