

**LINFIELD UNIVERSITY BOARD OF TRUSTEES MEETING
EXECUTIVE COMMITTEE
NOVEMBER 13, 2020**

RESOLUTION

WHEREAS, A.M. Brumback, a science professor and later president (1903-1905) at then McMinnville College, engaged around the year 1900 in desecration and theft of burial artifacts and human remains from Native American burial mounds in the region.

WHEREAS, Linfield University is currently engaged in the inventory of these and other artifacts to help facilitate communication with and repatriation to the relevant tribes impacted.

WHEREAS, Brumback Street, named for A.M. Brumback, is a private road connecting Renshaw Avenue and Lever Street near the Observatory on Linfield University's McMinnville campus.

Be it therefore resolved that the Linfield University Board of Trustees recommends the removal of A.M. Brumback's name from the campus street. A small commission shall be convened to discuss potential replacement names before the Board convenes in February 2021.
