

## Speaking Partner Program

Living, laughing, and traveling through the city with a local can be a rewarding experience. The program pairs students with locals based on mutual interests so students can practice Spanish, make new friends, and engage socially.

## Language Intensive

Spanish language courses can be optionally supplemented with cultural activities, visits to museums, monuments and historical sites and seminars or conferences on demand. Training activities on history, culture, traditions, art, flamenco, gastronomy, lifestyle can be organized to complete the academic language courses.

Cordoba, Spain

## Study Abroad Program

Fountain in Puerta de Jerez, Sevilla, Spain

When you think of Spanish culture, you're likely to evoke a host of images - from flamenco dancers to bullfighters, tortillas to tapas, and cobblestone streets to Mediterranean coasts. Spain has a unique and exciting culture to share, and Spanish Studies Abroad has been helping students immerse themselves in Spanish language and culture since 1969. Through Linfield's partnership with Spanish Studies Abroad, students can choose either the Alicante, Barcelona, or Seville location.

April Fair, Los Remedios, Sevilla, Spain

## Requirements

These programs are open to students in good academic and social standing who have completed at least one semester at Linfield with a 2.75 cumulative minimum GPA and a B average in 2 years of college-level Spanish language. \*\*Barcelona requires a 3.0 cumulative minimum GPA along with the Spanish requirement. All locations are for Spanish majors only or with permission from Modern Languages faculty.

On the basis of an application, supporting documents, and a personal interview, a selection committee judges each applicant to determine motivation, readiness and academic preparation for this study abroad experience. A series of obligatory orientation meetings for all participants (usually one weekend and several other meetings) is held in the spring semester prior to departure. All participants must take or audit the appropriate level of Spanish in the semester directly preceding study abroad.

## Costs

The cost of spending a semester abroad is similar to spending a semester at the McMinnville campus. The college pays the round trip airfare from Portland Airport for the student's first study abroad experience. Students pay Linfield tuition, technology fee and a program fee covering housing and on-site expenses, insurance and orientation. Out-of-pocket expenses, passport and visa fees, local or regional expenses are the responsibility of the student.
