\*\*RHA General Assembly Meetings are held on Tuesday evenings at 7:30PM in Walker 203 & 210. We ask that our members try to attend at least 75% of these meetings. If a member is unable to attend a meeting, it is their responsibility to try and find someone to represent their hall (another Hall Rep, RA, etc).

**Is this something you are able to commit to?** \_\_\_\_\_

**What is RHA?** RHA is a nationally recognized organization that serves as the voice of the Residents who live on campus. They have the power to create positive change on campus, recognize the larger campus community, and plan large scale events. RHA is a great way for you to get involved in Residence Life and the greater campus community.

Within RHA, our General Assembly is made up of Hall Representatives:

- **Hall Representative**- 2-5 per hall, depending on the number of RAs in each hall. Hall Representatives serve as the voice of their specific hall. They do small scale programming alongside the RAs within their community and bring forward any suggestions or concerns from the residents. The Hall Representatives recognize and celebrates the achievements and successes within their community. We have various committees that form around events that RHA is putting on throughout the year, as well as standing committees around Wellness, Sustainability, and Recognition.

**Why do you want to be a leader on campus?**
