Your student health insurance plan offers:

- Member-focused customer service

Eligibility and cost

All registered undergraduate students taking credit hours are required to carry medical insurance coverage comparable to that offered through the school's student health insurance plan. All undergraduate students will automatically be charged and covered under the student health insurance plan unless the student specifically waives the coverage as follows:

- Online through Etrieve at inside.linfield.edu/its/etrieve-central.html. See waiver deadlines in tables below.

Note: All international students taking credit hours are required to be enrolled in the school's student health insurance plan, and will not have the option to waive.
